Our four years at dear old Chelsea High have passed quickly, but there will be many memories close to our hearts that will never be forgotten. As we leave Chelsea High, there are many people, such as our teachers and administrators, that we must thank for their understanding and devotion to the students. There is one person, though, whom this class was very fortunate to have as a class advisor. As the saying goes, "Behind every great class, there is a GREAT class advisor." She is Mrs. Mary Smith, and no one person was as devoted and dedicated to this class as she was. Our class cannot thank her enough for all she has done, having been our advisor for four years. She has stood by us and helped us through all the rough times. For all you have done for us, Mrs. Smith, we dedicate this book to you to express our sincerity. Thank you for making our years at Chelsea High both successful and memorable ones.

Mr. Ross, who was in the Chelsea School System for over thirty-seven years, had a great influence on many students. He was very dedicated to his work, and he always pushed his students to work harder to reach their fullest potential. We, as the Class of 1986, had the opportunity to have him as a teacher during his last years at Chelsea High and wish to extend our many thanks and best wishes to him.

eighty6

Chelsea High School is not only an institute for academics, but it's a place for students to learn and grow by being able to get involved and participate in the school clubs and activities offered. These opportunities help students to experience different challenges that are not offered in a classroom setting. People get to know others on a more social and personal level which makes school more enjoyable, especially when teachers get involved in such things as Spirit Day or Western Day. Anyone can go home and watch T.V. but many chose to get involved, and here are the results. . . .

ACTIVITIES

I'LL BE THERE — JUNIOR PROM

The Chelsea High School Junior Prom was held on May 24, 1985, at the ritzy and elegant Danvers Port Yacht Club. For most of the Juniors, it was probably their first prom. You could see this by the excitement and anticipation showing through their eyes. Approaching the entrance, their footsteps were short and shy, but by the end of the night, they were wild with dance!! Except for some complications with the band, the night was a great success, and all that were a part of it will remember it for years to come.

WESTERN DAY

Marco, just back from the cattle drive!

Hold on to your hats, "pardners"!

Where's Silver when I need'er?

I'm the shy type, Ma'am

Why don't you rustle up some grub!!

Swing your partner

Talkin' to me, cowboy?

DAY OF SPOOKS AND SURPRISES!

This was no ordinary day at Chelsea High School. October 31, was a day full of spooks and surprises. You didn't know what to expect when turning the corners of the halls. Would you be attacked by a lion or would you be made to laugh by some juggling clowns? Would you be bitten by a vampire or would you be licked by a dog? The costumes were creative and varied, and this day proved to be a great class success with the most costumed students in CHS history!

It was a success.

How dare you insult my date!

I like the tall, dark, and mysterious type.

Hey! What's the BUZZ!!

Hey! I'm busy.

CHALLENGE CUP

» The club is designed for academic over-achievers to express themselves outside of the classroom environment. Knowledge of a broad spectrum of material, along with immediate recall and speed are necessary for members to compete successfully. In the past two years the club has made great strides to improve itself, and has seen much better game results. Competition is keen, even during practices as players compete to win a chance to represent the high school in games vs. area high schools. The club has also expanded its activities to include itself in regional competition and even national competition.

YEARBOOK STAFF

Co editors: Susan Zibikowski, Lisa Demko.

Creating a yearbook is no easy task. There are pictures to be taken, layouts to be designed, copy to be written and typed, and deadlines to be met. To their credit, the yearbook staff did a magnificent job in putting together the 1986 Beacon. The staff worked before, during, and after school. Members also came to school during the Christmas and February vacations. Congratulations to the staff for a job well done.

Dinner Dance

The Dinner Dance, held on January 10, was considered a smashing success by all in attendance. Before the dance was held, much work was done in decorating the gym, and in making all the necessary arrangements which helped to create the pleasant evening. Pictured are Tom Bruce and Chris Mucci sanding beneath the beautiful archway that Chris helped construct. Also, deserving a great deal of credit and appreciation were faculty members Mary Smith and Phyllis Nazzaro, also pictured under the arch. Further thanks and praise go to Mary Guerriero and to the many students who worked hard to provide this night to remember.

The music was delightful, the food was delicious, and a great time was had by all.

SOCCER

The 1985 Chelsea High soccer team completed its third season with its second straight trip to the State Soccer Tournament. The senior-led team again represented Chelsea with quiet dignity, both on and off the field. Opposing coaches, fans, and officials agree that Chelsea's soccer team represented all that is good in sportsmanship and fair play.

The senior co-captains Edwin Vega, Sophornnora Nou, John Moreira, and Henry Parra continued the excellent tradition past captains had established.

INDOOR TRACK

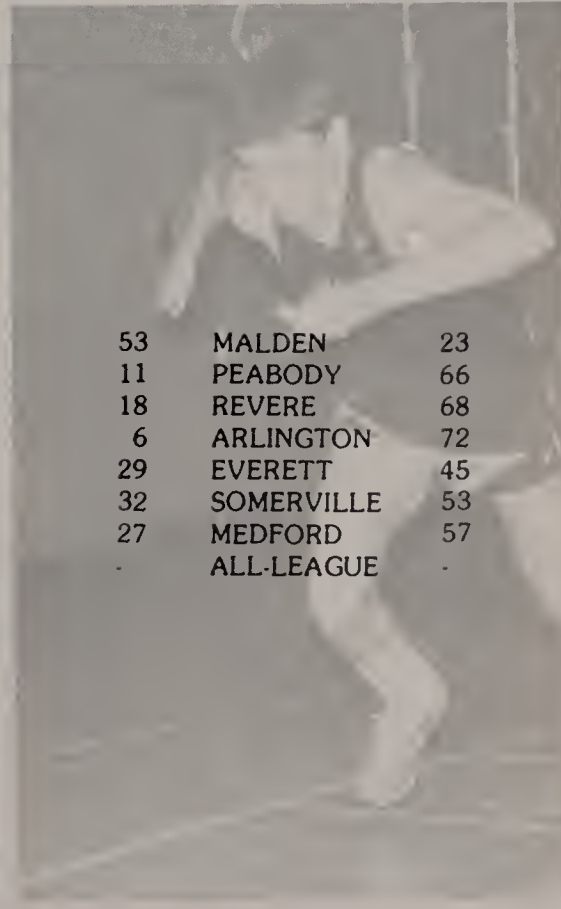

Our young track team seemed to be having it rough this year! They unfortunately had a losing season, with their record being 1-6. The team, made up of mostly freshmen, contained a few upperclassmen. The Seniors tried their best to leave a mark by their performance. Among them were Izzy Agostini, Roberto Santiago, and John Seplveda. As Head Coach Anthony Bavaro said, "Robert Laffey is just superb in the indoor shot-put. His record is 49' 10" while losing ONLY one dual meet. Another great performer is our Co-capt, Izzy Agostini, in the 50 -yard dash and the 300-yard dash." Honorable mentions went to John Seplveda, as he proved himself many times at the 600-yard run.

The girls suffered a number of close, agonizing defeats. Despite these close losses, the team never gave up, always giving a hundred percent effort. Led by senior standout, Krissy Rosa, as well as Denise Iles, and Claire Capistran, the team showed a lot of heart and gritty determination.

BASKETBALL

The Chelsea High School Boys Varsity Basketball Team had a great season this year. For the first time in four years, the team qualified for post-season play. Sparked by the playmaking of senior Lucas Rodriguez and the leadership of fellow seniors Wai Kit Leong, Chester Holden, Johnny Sepluvada, and Walter Slevoski, the team played a spirited brand of ball. Supported by a great cast of underclassmen, the team had truly a season to be proud of.

HOCKEY

The 1985-86 CHS Hockey team played its second season in the Commonwealth Conference this year. The graduating Icemen are Mike Kyes, Tom Bruce, Eric Tomasphol, and David Dullea. Despite their "underdog" image, the Devils still managed to win a few games and established themselves as contenders in this league. This undermanned, yet highly motivated team, led by captains Mike Kyes, Tom Bruce, and Artie Deledi, gave even the "power-houses" a run for their money. Sophomore Chris Baker had an excellent season, shattering the scoring record of 23 goals previously set by Dennis Bankus. All in all, the Devils had an intensely exciting season and will continue to be a major contributor to Chelsea's pride.

TOURNEY TEAMS

Chelsea High sports teams enjoyed many successes this past year. Two of the more successful teams, however, were the Soccer and Basketball squads. Both teams had fantastic seasons as both qualified for post-season play. In addition to their fine play on the field and on the court, the members of both squads are to be complimented for the way they conducted themselves off the playing areas. For their fine seasons, and for the way they represented Chelsea Pride, we congratulate both squads.

CLASS OFFICERS.

eighty6

What does it take to be a great class? It takes spirit, ambition, cooperation and determination. Most classes try to show that they have been successful, but few ever actually prove it. Our class, the Class of 1986, was different. Whether we were freshmen, sophomores, juniors, or seniors, everyone knew who we were. We have been recognized for our achievements and trends. We were famous for the "Penny War", "Adopt a Family", our record in the "Anything Goes Competition", and "Free".

Our years at Chelsea High have been ones filled with special moments and triumphs, but nothing is comparable to our Senior Year. "1986" was a year of pride, joy, and never dying memories. Senior Year was our moment to glow, to be the upper classmen, and to show our superiority. The next few pages are the pictures you've been waiting for! May I present the "Class of 1986"!

The best part of the day was seeing the joy and happiness that we brought to the families through a small act of kindness.

September Eighth, Nineteen Hundred and
Eighty Two

Our high school years had begun.
They were enlightening and exciting,
Not to mention, a whole lot of fun!

We were lively, fiery, and dynamic,
Giving a new meaning to CHS spirit.
We set records and started traditions,
Anything less-we would not hear it.

A long road we have traveled together,
Meeting new challenges every day.
But such great things cannot last forever;
Ours has ended in May.

As we close this chapter of our lives,
Our hearts burn with sorrow.
Yet, the wonderful memories live on and
on,
As we look forward to tomorrow

-Anne Zecha

It took four years,
But we've finally done it.
The bond we've built
Will be forever treasured.

So many parties -
So many dances -
Those times together
Remain so very special.

Since our freshman year,
We've been everything from
friends to enemies.
We've grown so much
We've grown together.

We've cared together in these four years;
We've watched each other go through
good times and bad.
Though we rarely say it,
These three words mean so much -
"I Love You."

Not it's time to go our separate ways,
Our good-byes will soon be said.
These years we've shared together
will be memories

Memories are strange things.
Sometimes they can become very vague,
Though in our hearts
They will always shine.

So don't try to remember "us,"
The special moments will always remain.

Goodbye Chelsea High,
Thanks for everything.
Don't worry about us,
We'll all make it big,
And someday soon
You'll hear from us again, The Class Of 1986.
